THE GLASS ROOM

MISINFORMATION EDITION

REPORTING QUESTIONNAIRE

Thank you for hosting a Glass Room Misinformation Edition! We are really looking forward to hearing about how the event went. We kindly ask that you fill out this questionnaire and send it to events@tacticaltech.org. Your feedback is valuable and will allow us to improve future editions.

1. Name, organisation, email.

2. Was the event in-person or virtual?

3. Event details (please include a short summary of the event, location and date)

4. Who was the target audience, and how many people visited the exhibition? (For virtual events: can you provide us with web stats?)

5. Did you have Data Detox Kits? If so, how many were distributed?

6. Did you have Data Detox Kit x Youth? If so, how many were distributed?

7. Which parts of the exhibition were the most popular?

8. Which parts of the exhibition were the least relevant?

9. Did you see indications from participants that they would learn more about, or take steps to improve their data privacy or security?

10. What are three themes, relevant for your audiences that were missing from the materials?

11. What are three ways we can improve the materials for your audiences? (For example, different features or changing the format)

12. Do you have any pictures to share?
